

## Building a Garden: Landscaping from Scratch

Would you like to improve and develop your skills of designing a simple garden landscape?

The work undertaken in this program will also support the development of a new community garden being established at Phoenix College where the Neighbourhood Centre is located.

### **A course to develop your skills in:**

- Planning the infrastructure of the garden
- Sustainable landscaping - work with the natural landscape and cycles
- Creating/ensuring there is all abilities access
- Construction, Gabions
- Building raised beds, pathways and seating
- Installing a watering system - drip irrigation
