

Garden Basics: Improving Soils for Vegetables

Would you like to reduce garden costs and improve veggie patch performance?

Join our hands-on introduction into developing great soil for the home or professional gardener.

A course to develop your skills in:

- Understanding soil (it's different from dirt!)
- Creating low-cost, productive soils in your garden
- No dig garden management methods
- Soil management for a successful veggie patch
- Hands on, practical gardening know-how
