

Volunteer in Our Garden

Are you interested in meeting others, helping our community, getting active outdoors and sharing skills?

Our Garden brings people together to grow fresh herbs and vegetables, to be used in BNC's hospitality training and community lunches, under the guidance of Our Garden Facilitator.

We will assist you to:

- Develop your gardening skills and meet people
- Work safely, at a pace that suits you
- Enjoy a meaningful and active volunteer role
- Help to meet your work placement needs
- Apply for Working with Children & Police checks

We enrich our community by providing opportunities to connect, participate and learn

There are two flexible options to be involved:

- Our social Friday Garden Group, from 9.30am weekly each term
- Become a BNC Volunteer Garden Caretaker, with agreed activities at times that suit you

Whether you are a garden newbie or an old green thumb, Our Garden has opportunities for everyone.
